Dear Sir or Madam,

Hearing our school wants some English interpreter volunteers, I am therefore writing to apply for the position.

As a senior two student of our school, I know the culture and history of the school very well, which enables me to explain our culture and history clearly to the visiting students. Also, what makes me fit for this job is my outgoing personality and my perfect English, which will help to smooth communication. Most importantly, my love for the school makes me eager to spread the excellent culture and history of the school to others.

I would be very grateful if you could consider my application. Looking forward to your early reply.

Yours,
Li Hua
