### 第四部分

#### 第一节

One possible version

Dear Mr. Brown,

I am Li Hua, one of your students. Entering the 12<sup>th</sup> grade, I come across some problems about English learning. Therefore, I am writing to seek your guidance.

My biggest problem is how to do well in listening tasks. Native English speakers can talk so fast that I can hardly catch any words, not to mention the main idea. I also have trouble with remembering new words. Hard as I attempt to memorize them, they seem to disappear from my mind some time later.

I would be grateful if you could give me some advice. Looking forward to your early reply!

Yours sincerely,  
Li Hua

M: One stops here every twenty minutes.

W: Good. We only have five minutes more to wait, then.

#### (Text 2)

W: Did you put the children's books by the front window?

M: No, I have not had the time yet. I was busy cleaning the toys on the shelves. Do you want me to start working on the display now?

W: Yes, we have to finish that by the end of the day.

#### (Text 3)

M: Are you good at swimming? I want to join a swim team but I need some tips.

W: Yeah, I've been swimming for a while. Practice regularly and focus on your technique. Want to come swim with me sometime? I could help you out.
