书面表达：

Dear Jim,

How are you doing? I'm glad to know you are interested in Chinese literature. So I'd like to share one of my favourite stories with you.

Cao Chong Weighs the Elephant is a story I like best. It tells how Cao Chong, a smart young boy, used a simple method to find out the weight of the heaviest animal on land. At that time, it was almost a task impossible for grown-ups to do, you know. How fascinating to read it!

Other stories about Cao Chong were written in the well-known novel Three Kingdoms. I strongly recommend you (should) take time to read it. I'm sure you can learn more useful life wisdom from the book.

Wish to hear from you early.

Yours,  
Li Hua
