参考范文:

Dear Jim,

Aiming to let us know more about the harmonious rural life and unique rural culture, our school will organize us to visit a nearby village this Saturday morning. We'll meet at the school gate at 8:00 am and then go there by bus. I would like to invite you to join us.

The visit focuses on new rural construction. First, we'll visit the buildings of unified planning in the village, including housing and canteens. Besides, we'll see a modern farm. It features some greenhouses, where farmers can grow green vegetables all year round.

So I believe the activity will help you better understand China. Looking forward to your reply.

Yours,

Li Hua
