To enrich the after-class activities of senior three students, the school English Club is going to hold an English inspirational speech activity themed "My Growth Experience" in the school lecture hall from 3 to 5 this Friday afternoon. The activity is arranged as follows.

We have invited Li Hua, a schoolmate who graduated from Peking University, to deliver a speech, in which he'll introduce his own experience of how he changed from a student who did not love learning to a super learner. After the speech, there's a question-and-answer session. He'll answer the questions raised by the audience.
