第四部分 写作(共两节,满分 40 分)

第一节(满分 15 分)

Dear Ophelia,

I'm planning to shoot a video to introduce my hometown to my foreign friends, and I have already finished the English narrations myself. For lack of confidence about the language use, I'm writing with sincerity to ask you a favour to revise them.

The video lasting about five minutes, it would be better for the narrations to be limited to 800 words. More importantly, the language is expected to be accurate, vivid and authentic, enabling international friends to better appreciate my hometown's scenery and culture.

Many thanks for considering my request. Looking forward to your early reply.

Yours,

Li Hua

第二节(满分 25 分)

It was exciting to go to school again, but also tough. At first, I felt really embarrassed to be sitting in a classroom with all the kids staring at me, even though I knew they were only doing it out of curiosity. However, the first few months of going back to studying were undoubtedly challenging, for I had totally forgotten what I had learned in my younger days. Fortunately, the attitude of the teachers calmed my nerves. They didn't say much but they behaved with great understanding. Also, as a mother of three children, I had to balance loads of housework and my kids' needs while doing my courses.

Linda and I helped each other through. Linda would share the housework when I was up to my eyebrows with my schoolwork. And when she was down, I would stay by her side, offering comfort and encouragement. I have to say, it was a hard time for both of us but we didn't give up. Finally, I completed all the credits needed for graduation. I glowed with pride as I was presented with my diploma. Waving my hands at Linda, I could hardly contain my excitement. At last, the unfinished business in my dreams had been finished.
