Last week, our school and the Xinjiang Museum jointly held the “Mobile Museum into Campus” themed event. The purpose of this activity was to bring the museum experience to students and provide a unique educational opportunity.

The event included a lecture, a performance and an immersive experience. The lecture was informative and engaging, providing insight into the history and significance of the region. The performance was a visual feast, which showcased the traditional music and dance of the area. Finally, the immersive experience allowed students to explore the cultural richness of Xinjiang through hands-on activities and interactive displays.

The event received positive feedback from students and it was a unique and memorable experience for our school community.
