47. Dear Alice,

I'd like to invite you to write an article for our school's English newspaper, which is popular among us students, especially the articles about health.

The "Healthy Lifestyle" section carries a wide variety of articles written by foreign friends about their opinions on their balanced diet, healthy food, food safety or physical exercise. Since you are always having the good habit of keeping early hours, would you please share something about how to keep a healthy schedule? By the way your article may have a title made up by yourself. You can also write anything relevant so long as it's interesting and informative. 400 words would be fine. Could we have your article before August 2.

I'm looking forward to hearing from you.

Yours sincerely,

Li Hua
