作文 原创题

Dear Lily,

I am sorry to learn that you feel anxious about the coming College Entrance Examination and intend to give up. Consequently, I'd like to provide some significant advice as follows.

From my perspective, the first key is to believe in ourselves. With a strong faith rooted in our heart, we will have courage to overcome any obstacle. What's more, were you puzzled about your learning state, a reasonable plan including your goal would help you. It will remind us what to do every day in an orderly way, thus reducing our stress.

In a word, taking a positive attitude and striving for our dreams, we can lead a pleasant school life.

Yours,
Li Hua

英语听力原文

Text 1

M: Hey Alice, I just got back from the dinner party. I was so impressed with the decoration!

W: That's cool. How was the meal they served you?

M: Not great. The band they had was amazing, though!

Text 2

M: Wow Emily, how did you learn to speak Spanish so well? Did you learn it at high school?

W: Not really. I traveled in Mexico for two years after university. I must've picked it up there.

M: That's so cool. I've always wanted to learn a foreign language.

Text 3

M: How did you feel about the new *Avengers* movie?

W: I couldn't see it. This weekend I had to spend time with my grandma and she doesn't like action movies.

M: If you don't have work next week, you should definitely see it.

Text 4

W: Tell Mom to come downstairs. The mail carrier just came by the house.

M: She just left to go to the grocery store.

W: OK, tell her to remember to check if the bills came.

Text 5

W: Did you fix your phone? I needed to call you earlier today.

M: I did but I left it charging at home. I'm sorry!

W: Please remember to bring it to work with you, so I can send you the daily tasks!

Text 6

W: Jimmy, I need to talk to you. I talked to your teacher and she told me you did very poorly in your geography test.

M: I know, Mom. I've been so busy with my part-time job and basketball practice. I didn't have time to study for my last test.

W: You must ask your geography teacher if you can improve your grades.

M: Okay, I'll ask my teacher tomorrow.

W: You must not let sports and work get in the way of your education. Learning is the most important thing for you.

M: I know, Mom. I won't let it happen again.

W: Good. I can't wait to see your good grades. Remember not to play the video games!

Text 7

M: I have time off from my work at the cinema this weekend. Are you busy?

W: Well, I have final examinations to study for next week but I'll have a bit of free time.

M: A rock band is having a small concert at my friend's restaurant. Can you come on Sunday afternoon?

W: Oh, Sunday might be too busy. I have my best friend's birthday party on Sunday. Are they playing on Saturday too?

M: They are but I have to spend Saturday afternoon with my family. Maybe we can meet for a cup of coffee on Saturday night though?

W: Well, I'd love to come but I'll be studying on Saturday.

M: No worries! I just remembered I have to leave for my swimming course.

W: I'll be around at lunch if you're free. Then come sit with me and we'll chat more.

M: Great, looking forward to it.

Text 8

M: My dad just got back from Italy. He told me we're going there on a family holiday this winter!

W: I went to Spain before and that's close by. Your trip will be so warm and pleasant.

M: Both countries are in Southern Europe, but actually the place we're going will be snowy.

W: Oh, really? Isn't it too hot in Italy to have snow?

M: Actually, I'm going to the mountains in the north of the country. This area is great for skiing.

W: That's so cool. This winter I'll just be going to visit my family in California, USA.

M: That should be fun too. It will be nice to go to the beach.

W: I'm going to Los Angeles. I will buy you a souvenir there if you can bring me back something from Italy.

M: You've got a deal. I'll bring you some cheese and cookies!

W: OK. I'll buy you some Hollywood souvenirs when my cousins and I go there to visit!

Text 9

W: I can't believe it, Dave! This dress I just tried on looks too small for me, doesn't it?

M: Yeah, Susie. It might be just a little small. I'll go to ask the clerk for a different size for you.

W: It's on sale and it's the only size. This size always fits me when I try on clothes from this store!

M: Maybe you've just gained muscles or grown taller since you last came to the store.

W: I don't think so. It's because I've gotten fatter since the holidays started.

M: Oh, I'm sorry to hear that. We both ate so much junk food during the holidays!

W: I think I need to get healthier. How do you always stay so skinny?

M: I play badminton three days a week at the gym. You can come join my team if you like.

W: That sounds like great exercise but I can't because I have a knee injury from skiing two months ago.

M: No problem. I also go to hot yoga classes on the weekends.

W: I don't want to diet. I will just go to yoga classes and ride my bicycle to school from now on.

Text 10

Hello everyone, and welcome to San Francisco. Just a few members of the group had their flights delayed, so I'm sorry that we will have to wait a little while for them to come through security. Until then, I'd like to give you a bit of information about this great city and some details about the fun trip we will have together. On this trip, you will expect some great views of the city and the Pacific Ocean. But also, unfortunately, at this time of the year we will have a lot of cold and foggy weather in the morning. When the group is complete, we'll go to the parking lot for our driver to pick us up, bring us into the city center, and drop us off to walk the streets of the city's best neighborhoods. We will start with lunch in Chinatown and then later we'll have dinner in Little Italy. For our first night in the city, we won't have any late night activities so everyone can get some rest at the hotel. This weekend, however, we will have a few optional activities to go out

to a local jazz music club, have some drinks, and listen to some great music. Unfortunately, the baseball game for our final day has been cancelled, so instead we will all go on a walking tour of the bridge, followed by dinner from our private chef.
