听下面 5 段短对话。每段对话后有一个小题, 从题中所给的 A、B、C 三个选项中选出最佳选项, 并在答题卡上将该项涂黑。听完每段对话后, 你都有 10 秒钟的时间来回答有关小题和阅读下一小题。每段对话读两遍。

1. M: How do you get to school, by bike or by bus?
W: By bike.
2. M: I hear you're enjoying life at your new school, Eliza. What's your favorite subject?
W: I still like math and geography, but now I like science best.
3. M: It's time for bed, Cathy. It's already ten o'clock.
W: Dad, just a minute. I'm watching a talk show. I'll be in bed in twenty minutes.
4. M: May I borrow these three books, Ms. Steen?
W: I'm afraid not, Bob. You borrowed one yesterday, and you know, each student can only borrow three at most.
5. M: I feel very sad. I can't understand why my father always seems to be kinder to others than to his own son.
W: You just don't understand him. He has a heart full of love. He's strict with you just because he loves you!

第二节 (共 15 小题; 每小题 1.5 分, 满分 22.5 分)

听下面 5 段长对话或独白。每段对话或独白后有几个小题, 从题中所给的 A、B、C 三个选项中选出最佳选项, 并在答题卡上将该项涂黑。听每段对话或独白前, 你将有时间阅读各个小题, 每小题 5 秒钟; 听完后, 各小题将给出 5 秒钟的作答时间。每段对话或独白读两遍。

听第 6 段材料, 回答第 6 至第 7 两个小题。现在你有 10 秒钟的时间阅读下面两个小题。

W: Tony, your face looks a little bit red. What's the matter?

M: I don't feel well and my head really hurts.

W: Oh, you'd better go to the doctor right now.

M: Hmm... But what about my lessons?

W: Don't worry. I can help you with your lessons.

M: Thank you, Mrs. White.

听第 7 段材料, 回答第 8 至第 10 三个小题。现在你有 15 秒钟的时间阅读下面三个小题。

W: Can you tell me how to get to the bank, please?

M: Which bank? There are two in the neighborhood, Panda Bank and Green Bank.

W: I want to get some money from Panda Bank.

M: It's near the local shopping center, City Mall.

W: How can I get there? I have no knowledge of this area.

M: Go along New Street and turn left at the first crossing. Walk along Center Street until you reach the traffic lights. Turn right and you'll see City Mall on your right. Panda Bank is next to City Mall.

W: Sounds so difficult. How far is it from here?

M: About ten minutes' walk. I can draw a map for you.

W: Thank you very much.

听第8段材料，回答第11至第13三个小题。现在你有15秒钟的时间阅读下面三个小题。

W: When are the visitors coming, Michael?

M: They had three dates to choose, March 21st, April 12th and April 22nd. They chose the earliest one.

W: OK. How many visitors are coming? 18 or 19?

M: They said 18 at first, but they changed to 16 this morning.

W: Good, we have one week to get everything ready. Here are my suggestions. On the first day, we'll have a welcome party. Then they can visit the factories on the second and third days.

M: Since the visitors want to learn about how to deal with waste water, we may ask Mr. Goodman to give them a talk about it on the third afternoon.

W: That'll be nice. What about the last two days? Have a tour in Nanchong?

M: Why not take them to Langzhong Ancient Town? I'm sure they'll enjoy themselves there.

W: Good idea.

听第9段材料，回答第14至第16三个小题。现在你有15秒钟的时间阅读下面三个小题。

W: Welcome to our "Teens Show"! Can you tell me about your job, Dr. Hunt?

M: Yes, of course. Many students write to me and ask me how to solve their problems. I always give them my advice.

W: What problems do they have?

M: Some students don't have much free time because they have to take so many after-school classes.

W: I agree. Sometimes they have to spend most of their free time studying. What do you think about it?

M: It can cause a lot of stress for students. Too much pressure is not good for children's development. They should have time to relax and think for themselves, too.

W: What suggestions do you usually offer them?

M: I often advise them to talk to their parents.

W: Does that help?

M: Yes, it works. Most parents are understanding.

W: That's great!

听第10段材料，回答第17至第20四个小题。现在你有20秒钟的时间阅读下面四个小题。

I'm a plastic bottle. A week ago, I was on a supermarket shelf. I had a normal life and felt really happy. Then a tall woman picked me up and drank the water inside me. She threw me into a bin. I have never felt so empty in my life.

Early the next morning, a man took me out of the bin. He threw me and the other rubbish into the back of a truck. Then I was pushed together with the rest of the rubbish. Soon I became much thinner.

I slept for a while. When I woke up, I found myself in a terrible place. Everything around me was ugly and had terrible smells. I felt afraid. I kept hoping that I would be moved somewhere else. Then huge trucks came and covered us with earth.

I asked another bottle what would happen to us. He said that we would never leave this terrible crowded place, but would have to stay here for thousands of years.

"Why can't they reuse or recycle us?" I cried.

书面表达参考范文(one possible version):

Last weekend, I got up early and cooked noodles for my parents. First, I boiled some water. Then I put some noodles into the pot. About five or six minutes later, I placed them in the bowls and added some salt and oil. When my parents got up, they were surprised and praised me with a big smile.

It was the first time for me to cook for them. A little bit tired but happy, I felt proud of myself because I could take care of my parents. From this unforgettable experience, I've also got a deeper understanding of my parents.

I think it's our duty to share some housework. Besides, doing some hard housework is a kind of physical exercise. As teenagers, we should take action to help around the house!
