第二节 书面表达 (满分 25 分)

Dear Peter,

I am sorry for answering your letter so late because I was busy preparing for the final exam. In your last letter, you asked me about the plan for the coming summer holiday. Now let me tell you.

I have been expecting to be a volunteer for a long time. I intend to help the old in a nursing home near my home. Respecting the old is an excellent tradition in China. Besides, I would like to stay at home to go over what I have learnt this term, because the college entrance examination is only a year away. What interests me most is that I will teach some children English during this holiday. This is the first time I work as a teacher. My dream is to become an English teacher in the future. What is your plan for the summer holiday?

Look forward to your reply!

Yours truly,  
Li Hua
