### Enjoy Sports, Enjoy Life

Cycling is one of my favorite sports. It always makes me relaxed and full of energy.

It was sunny last Saturday morning. After finishing my schoolwork, I felt a little bit tired. So I went cycling along the road in a forest not far from my home. What great beauty of nature it was when I got close to it! Colorful flowers were smiling at me. Birds were flying here and there in the trees and they never stopped singing. Soft wind touched my face when I rode a little faster. I got relaxed and refreshed at once.

What an enjoyment of cycling it is! I enjoy my life by doing sports.
