Using Fitness to Find Happiness

Nowadays, many a student doesn't have enough time to do sports, for which their physical and mental health suffer. Therefore, our school is conducting Fitness for Happiness activities to make our school life happy and colorful.

As planned, the activities are held from 6:00 to 6:30 each afternoon. We are free to choose whatever we like, such as running, table tennis, basketball and badminton. The playground is full of laughter and life, with expressions of satisfaction on our faces.

The Fitness for Happiness activities, as the name suggests, make us happy and fit. Besides, we have a better understanding of sports, friendships and team spirit.
