George Daniels lives in London. He is a watchmaker. His work continues the tradition of the English watchmakers of the 1th and 19th centuries. Today this tradition is almost dead. Daniels is the only man in the world who designs his own watches, makes all the pars himself, and then puts them together.

A Daniels watch is the product of his hands alone. One of his watches, which is now in an American museum, took 3,500 hours to complete. He usually makes one watch a vear. Each one is inscribed (刻) with "Daniels London"and costs about \$10,000. Of course, these are not ordinary watches-they are very beautiful and will last three centuries.

George Daniels has always been attracted by clocks and watches. When he was five,he used to take his father's clock apart, and put it back together again. At school he used to repair his teachers' watches.

He is now internationally famous and many people would like him to make watches for them. But most of therm will be disappointed. He chooses his customers very carefully indeed, "It must be someone who understands the subject," he says, "not carefully indeed. "It must be someone who understands on someone who will leave the watch in the drawer and only show it to dinner guests."

6. Who is George Daniels?

A. One of the few who repaired watches in the old days.
B. The only man who collects old watches in the world.
C. One of the few remaining watch designers in the world.
D. The only man who designs and makes watches by himself. $\sim$
7. How long can a Daniels watch keep working?
A. 10,000 hours. B. 300 years.
C. 200 years. D. 3,500 hours.
8. Which of the following shows Daniels' early interest in watches?
A. He played with his father's clock.
B. He taught people how to repair watches.
C. He made a watch for an American museum.
D. He made beautiful and long-lasting watches.
9. George Daniels makes watches for those who
A. can afford his watches B. may want to show them to others
C. appreciate his watches D. enjoy his watch-making process

What would life be like without commas (逗号)? It would be quite confusing, The simple sentence as an example: Let's eat Dad! Without a comma, Dad becomes the food. Add a comma, and Dad becomes a partner at dinner: Let's eat, Dad! The comma enables people have a better understanding of the sentence.

Here's another example: Tom said Sarah stole the cake. Here, Sarah is the thief. But add a pair of commas, and Tom becomes the thief:Tom, said Sarah, stole the cake.

The examples above clearly show that people cannot do without commas in writing Ye,he comma came from oral speeches. Long ago, most people could not read. They listened to the news or stories told by the people who gave speeches. The comma began as something to mark the resting place in a sentence. When reading, the speakers knew where to stop and take a breath.

In writing, commas are like shining red lights on the road. They require that you wit a moment before continuing. And don't add a comma when you feel like it. There are rules that people shall not break. Learn them, and you won't be eating anyone or

in 2016, I suffered from Seasonal Affective Disorder (SAD), a form of depression (抑 郁症) that is found to make people feel low in the UK between September and April. I) During that cold and wet period, I got comfort in books.

Books have been used by many to reduce depression. I lose myself into them as thirstily as I usually get my morning coffee. Each Christmas, I have a habit of returning to the old favorite books that make up for my emptiness, such as Jane Eyre. Sometimes, to escape from the cold, I run back to the heat that I am used to, so I will read a lot of

It became important for me to find a way to escape my sadness in the world of books. And isn't that what art and literature is for? According to JJ Bola, the author of No Place to Call Home, "The world can get you so down that you think you're the only person going through what you're going through. But then you read and you realize that you are not alone; that if someone else has gone through it and survived, then maybe you can, too." It is this survival that the reader looks for, that is,the understanding that the winter is not so long after all.

16. What was the possible cause for the author's illness? D A. His personality. B. His poor health. C. Sleeplessness. D. Cold and wet seasons. 17. The author likes reading old favorite books because they help him\_\_\_D\_\_ A. kill time B. keep warm C. enjoy Christmas time D. drive away emptiness
