#### 第八部分 书面表达（共 1 题；满分 20 分）

Dear Tom,

I'm glad to talk about Tik Tok. Tik Tok is very popular in China now. But what's special about it?

People of all ages can make short videos by themselves. It shows people different kinds of daily activities. What's more, Tik Tok can share interesting things with people, and make them happy and relax. However, every coin has two sides. It's easy for people to be crazy about it. They spend too much time watching it. It's bad for their eyes. People pay less attention to their work or study. Sometimes, it isn't very healthy.

I think watching Tik Tok can make us relax. But it might be wise for us to limit the time we spend on it every day.

Yours,

Li Hua
