【答案】范文

Without hesitation, Amelia rushed back to the village. She gathered the villagers to join her in the rescue. Amelia led the way, carefully moving along the steep cliff edge until she reached the dolphin. As she drew closer, she noticed

tears streaming out of the creature's eyes, as if it knew its fate was in their hands. Amelia carefully freed the dolphin from the net. Then Amelia and the villagers guided it down to the waiting boat. Then they made their way back to the shore and treated the injuries of the dolphin.

As the dolphin was gently released into the calm, welcoming waters, it hesitated for a moment. Amelia approached the dolphin and gently stroked it. The dolphin touched the girl with the tip of its nose in response and made happy sounds as if to say a final thank you before diving gracefully beneath the surface. The crowd erupted in applause, their hearts filled with joy and gratitude for being witness to such a remarkable rescue. Amelia's courage and compassion were an inspiration to all who heard her story.
