第一节 应用文写作（满分 15 分）

Dear Mike,

How time flies! It's too bad that you have to leave soon. No words can express my gratitude to you for what you have done in our school.

To express my appreciation, I chose the paper-cut as a gift , a reminder of our unforgettable time here. The vivid pictures cut out from common colorful paper are a traditional yet popular choice for decoration in my country.

As one of your guides, I hope you ' ll like the small gift and come back to experience more Chinese traditional culture.

With best wishes !

Sincerely Yours

Li Hua

第二节：读后续写（满分 25 分）

Possible version:

As the evening grew darker and the temperature dropped, Ian told Jeremy to leave him and go back to their parents. But Jeremy still did not leave. He thought it was too dangerous for Ian to be alone on such a cold, windy night. However, with the surroundings from chilly to freezing, Jeremy decided that the only way to help his friend was to carry him down the mountain. So, they started the long climb back to the campsite. Sometimes Jeremy carried Ian on his back. Sometimes he carried him in his arms.

Finally, after four long and tiring hours' climbing down, they came across their parents. Upon seeing the two boys, their parents dashed to wrap them in their arms. All the fear, cold and even pain were seemingly driven away by the reunion with their parents. Jeremy and Ian burst into tears, sobbing out what had happened in this adventure. On the way to the hospital, Ian held on tight to Jeremy' s hand, saying, " I' ll always remember what you did for me. You saved my life." Jeremy winked at him with a smiling face, " That' s the greatest thing that a person can do for his friend."
