第四部分 写作

第一节 应用文作答示例:

To Live a Healthy School Life

A healthy school life can help us focus on our study, keep fit and make progress each day, which contributes to our full development both in mind and body.

To possess a healthy school life, we should bear some tips in mind. Firstly, have a balanced diet and enough sleep. They're the basis of a healthy school life. Secondly, keep a balance between study and play. Proper physical exercise makes us stronger and our learning more effective. Moreover, stay positive and get ready to help others.

Wish you a healthy school life and a bright future!

第二节 读后续写作答示例:

Then Gail's first birthday after the transplant was approaching and she got an idea. She called Paul and invited him to her birthday party. When he refused, she was very angry. "You've given me a second life. How can you refuse to come to my birthday party? It would be meaningless without you," she said to Paul. Amazingly, Gail's words did work! Paul knew she was talking to him from the bottom of her heart. So he accepted the invitation and they finally met at Gail's birthday party.

Their friendship started after the birthday party. Now they meet every few weeks, sharing each other's concerns, feelings and experiences. And they spare no effort to offer help whenever one of them is in trouble. "I found someone I didn't know who was willing to give the priceless gift. How could I not be his friend?" said Gail. "I lost a kidney, but I've gained a true friend. It's worth it," said Paul, smiling at the memory. There's no doubt that it's great love and kindness that create the true friendship between the two strangers.
