Dear Mike,

How are you? Thank you for sending me the photos that bring back those wonderful memories.

The time we spent together during the Spring Festival was just incredible. We woke up early to see the sunrise over the sea. On the way back, we tasted the fine local food, which was impressive indeed. And what was truly unforgettable was the hospitality I had as a guest at your home. I really had a great time. I'd like to invite you over this weekend. It will be a chance for you to meet my family.

Looking forward to your coming.

Yours,

Li Hua

But there was really no way out of the situation. In the end, I quickly rehearsed the speech and got ready to go on stage for the presentation. I looked calm and collected but inside, I was a trembling mass of jelly. Although they kept encouraging me, I still felt very worried that my poor performance would cost us the opportunity to win an award. Not long after, I was called to do the presentation. Having butterflies in my stomach, I walked onto the stage.

As I stood on the stage, my heart beat violently. My face turned pale, and my mind went blank. I could not remember what I was supposed to say. I was at a loss what to do when I saw my teammates smiling at me with trustful looks. It was then that I realized that I should try my best for our team. Instantly, I reorganized my thoughts, and proceeded to speak into the microphone. When I was finished, all my teammates stood up and applauded loudly.
