PREFACE

To promote cultural exchange and understanding, "The Collection of Chinese Classical Poetry" features a wide range of magnificent ancient poems, accompanied by English translations and annotations.

It includes great works from renowned poets from different dynasties in Chinese history. The poems cover various themes, from love and nature to politics and philosophy, and are characterized by their elegant language, profound meaning, and vivid imagery.

Not only is the collection a showcase of Chinese literary achievements but also serves as a bridge to transcend cultural boundaries.
