## 第二节(满分25分)

1. 阅读所给材料,理清文章大意:

本文以人物为线索展开,讲述了 Sue 在滑雪时与 Mark 起了争执, Mark 非常生气。Sue 滑雪很棒, Mark 与好友 David 嫉妒 Sue。后来老师宣布进行滑雪比赛,三个人成了强大的竞争对手。比赛前 Mark 和 David 注意到 Sue 的滑雪板的螺丝松动了,他们认为他们一定会赢的比赛。

2. 详解首句信息,构思续写情节:

续写线索: 比赛开始——Sue 停下修滑雪板——被超越,努力追赶——帮助 Mark——赢得比赛——说出实情——原谅——成为朋友

①由第一段首句内容“比赛终于到了,每个人都很兴奋。”可知,第一段可描写在滑雪的过程中, Sue 注意到螺丝松动了,停下来修理,然后努力追赶,最后只有 Mark 在她前面了, Sue 努力追赶 Mark。

②由第二段首句内容“也许是感到内疚或紧张,马克犯了一个错误,当苏接近他时摔倒了。”可知,第二段可描写 Sue 帮助了 Mark,最后赢得了冠军, Mark 对 Sue 说出了实情, Sue 原谅了他们,最后他们成为了好朋友。

One possible version:

*Finally came the time of the race and everyone was excited. With the referee saying “Get set, go”, all skiers raced down. Unsurprisingly, Sue fell over seconds later. Noticing the loose screw, she slid across the snow and off the piste. During this period, David and Mark skied past. Mark shouted to David, “We’re going to win.” Luckily, it was not a tough problem for Sue. She quickly tightened the screw, made an examination of the rest and skied again. Minutes later, she was ahead of most competitors. Now, the only one before her was Mark, whom she was determined to beat. (91 words)*

*Maybe feeling guilty or nervous, Mark made a mistake and fell down when Sue approached him. Seeing Mark struggled to stand up, Sue stopped and gave him a pull. Much astonished, Mark murmured, "Thank you." Sue left with a wave of the hand. Meanwhile, another two players passed by. Sue sped up with all her strength. Soon, she crossed the finish line first to thunderous applause. "Congratulations!" Mark came to Sue. "I should apologize for my words and behavior." Knowing what had happened, Sue was a little angry, but anyway, it was in the past. "Never mind. I've also learned the lesson that examining my skis is necessary," Sue joked, "And maybe we could ski together later." "Totally agree!", Mark grinned broadly. (106 words)*

### 附录 1: 录音原文

#### Text 1

M: Jane, do you work during holidays?

W: Well, last Christmas I worked part-time for two weeks as a postwoman. **Then in the summer, I spent four weeks picking fruit, (1)** and I plan to do a bit of baby-sitting this winter holiday.

#### Text 2

W: A popular idea in business is net-zero carbon. I get to know this from a news report. But what does this phrase mean?

M: It means people or businesses not polluting the environment or causing environmental damage. **I first heard this idea from a speech. (2)**

#### Text 3

M: **Your educational background is very impressive. But do you have experience?**

W: **Yes, I have done this kind of work before.**

M: **Well, thank you for coming. We will let you know in a week. (3)**

#### Text 4

W: An ambulance is coming, sir. **I put your bicycle on the side of the road.** Now, please, sit down and rest.

M: Thanks, ma'am. **I was riding too fast on this wet road. (4)** I'm glad I'm not seriously hurt.

W: Luckily, I was jogging by and saw you!

#### Text 5

W: **I love modern art but don't understand the artworks' meanings.**

M: **Me too. Unlike traditional paintings you see in other art history museums, these modern art pieces aren't meant to be clear. The question is: how do they make you feel?**

W: **Interesting. (5)**

Text 6

M: It's a perfect day to decorate our house. **Christmas is 20 days away, and two days before that will be our big holiday gathering. (6)** That party will need plenty of planning to be as fun as last year.

W: Since I've already cleaned the house, **should we start by putting up decorations inside? (7)**

M: Outside the house, we'll put up the lights and hang leaf branches. For the inside, we'll set up the tree. While one does the work outside, the other can finish the work inside.

W: **OK, let's get it done. (7)**

Text 7

W: **Geoffrey? (8)**

M: **Hi Kate. (8) (9)** I'm sorry to call you so late, but I'm really struggling with question number three in Mrs. Garner's homework. (8)

W: It's 11:30 p.m., Geoffrey. I'm in bed. My eyes were just about to close.

M: Oh, I'm really sorry, Kate. I've answered all the other questions, but I'm stuck with that one.

W: That's OK. **But I'm afraid I can't make it clear through the phone. (9)** If you still couldn't understand it, you should ask the teacher tomorrow.

M: You're right. Let's just have a try. Maybe I can solve it after your explanation.

W: OK, **wait a minute. I'll go downstairs to get my homework. (9)**

M: **So nice of you! (9)** I'll buy you breakfast tomorrow.

Text 8 (第 10 题为推断题)

M: Oh, no. Look at the noticeboard.

W: What does it say? I can't read it without my glasses.

M: The 7:15 subway has been canceled.

W: But that's our subway, isn't it?

M: Yes, unfortunately it is.

W: What are we going to do? Our flight leaves at 9:30. How can we get to the airport on time?

M: **There's a bus station a short distance from here. It's only ten minutes away and I think we'll be able to get a bus to the airport. (11)**

W: Are you sure?

M: Not one hundred percent, but if there isn't one, we'll just have to pay for a taxi.

W: **But how am I going to be able to carry my heavy bags all the way to the bus station? (12)**

M: Don't worry. I'll carry the heaviest one for you — but we need to set off now.

W: Oh, thank you.

### Text 9

W: We're so happy you're here again. Last time we talked about your video series. **Now, you've come to tell us about your new book — let's hear it for Boris! (13)**

M: Thanks, everyone. A lot has changed over the years. I filmed a new movie and started coaching worldwide.

W: We're very interested. You've become the country's most successful life coach. What does this mean to you?

M: Life coaching shows people how to become the smartest, happiest, and most successful versions of themselves.

W: I love that. It took me years of education to become a talk show host. **How did you gain success? (14)**

M: **Simply put, I have done many different jobs. (14)** Within several years, I learned about myself and discovered what I wanted to do!

W: What about difficulties?

M: I was lucky to find stable jobs that paid well. But I still failed many times. **My hardest task was learning never to give up. (15)**

W: That must be in your book.

M: Of course. The key to success is not avoiding failure, but never giving up hope no matter how many times you fail! Read the book to learn more!

W: **We have copies of your book here. Can we give them to the audience? (16)** Then, we'll discuss your future plans.

M: **Great! (16)**

### Text 10 (第 17 题为推断题、第 18 题为总结题)

As we've now experienced global damage from COVID-19 for a long time, we'd like to look into the post-COVID world of the future. Here at Heart Internet Media, we've constantly covered COVID-19's harm to individuals and society. **But this speech is meant to offer an optimistic and encouraging view forward.(18)** Similarly, hospital and research center staff worldwide have worked endlessly to provide us with treatments. Without these global efforts, our path to recovery would be much more difficult.

So, moving forward, my question is: how do we strengthen our world against COVID-19 or other viruses(病毒)? My first advice would be about health education. **I'm lucky to have three sisters working as hospital nurses. They have become my biggest heroes and my primary source of health information. (19)** But we must all have access to medical education. So, I believe that teaching caring for our bodies, preventing disease, and improving mental health in schools would be a progressive step.

**Next, and most importantly, I'd propose making medicine more affordable and accessible worldwide. (20)** Furthermore, moving past this period of COVID-19 will require us all to continue working together. We've all gone through such challenging times, but we will achieve a more peaceful and healthier global society with our continued worldwide teamwork.
