参考范文:

Dear Peter,

Warm greetings from China! How is everything going? Knowing that you are going to learn Chinese in your university, I feel pretty happy for you.

In order to improve your Chinese, "Journey to the West" is a good choice. Regarded as one of the four classics in Chinese literature, the book possesses great wisdom and essence of the Chinese language, which makes it worthwhile to read. Furthermore, the book tells an interesting story in which a famous monk in Tang Dynasty went west with his three students who had super power. It attracts several generations, old and young. Enjoy reading! And you can share your reading reflections with me if you like.

Looking forward to your reply! (117 words)

Yours,

Li Hua
