Version 1

Dear classmates, I'm very happy to share our research with you. The subject we've chosen is the Lantern Festival. We've collected much information about the festival by doing some reading in the library and watching a lantern show.

The Lantern Festival has a history of about 2,000 years. It's celebrated on the 15th day of the first lunar month. People get together to enjoy colourful lanterns and play riddle games. Small gifts are usually offered when they get right answers. It's a tradition to eat *zongzi* on this special day.

As for the next step, we will focus on designing lanterns and making English riddles. This will help us understand the meaning of the festival better.

That's all. Thank you!

Version 2

Dear classmates, I'm very happy to share our research with you. The subject we've chosen is the Dragon Boat Festival. To do the research, we searched for information online and visited a local museum about culture and customs.

We've learned a lot about the festival. With a history of about 2,000 years, the Dragon Boat Festival falls on the 5th day of the fifth lunar month. People usually celebrate it by watching boat races. *Zongzi* is the most traditional food that is eaten to honour the great poet Qu Yuan.

Next, we plan to learn how to make *zongzi*, and produce an English video to make the festival known by more people around the world.

That's all. Thank you!
