Dear Jose,

I am sorry to know you are having trouble with your life and study here. However, the situation is easy to change. Now, I'd like to give you some advice.

Firstly, join some school clubs, where you can make some friends. Secondly, communicate with the people who have the same interest with you. Maybe it can get rid of your loneliness. Thirdly, do some outdoor activities which can make you relaxed. Only by doing all these can you get used to your school life and live happily.

Hope my advice can be helpful.

Yours,
Li Hua
