参考范文:

Dear James,

I'm delighted to tell you that I'll take part in a summer camp. However, there will be an interview next week, which makes me worried. I am wondering if you could tell me some interview skills. As you know, my spoken English is not good. It makes the communication difficult with native speakers. I think the question is that I am always flooded with a sense of nervousness when talking. So I'm extremely afraid to fail now. I hope to pass the interview successfully and there is an opportunity to make more friends and know about the local culture.

I'm looking forward to your early reply!

Yours,

Li Hua

第二节

参考范文:

Birbal said, "If the water is yours, please empty the well of your water." He continued, "Since the well belongs to Rakesh now, he wants it without any water in it. Please empty it as soon as possible!" Raghu was even given exactly three days to remove all the water and required to return Rakesh a completely empty well. If Raghu were unable to do that, he would have to pay a heavy fine and even be put in prison for his behavior as well.

Hearing that, Raghu was scared. He knew well that it was impossible to remove all water from a well, because water keeps coming into the well from underground water bodies. Raghu realized that it was he that had been trapped this time. He took defeat and was forced to promise not to stop Rakesh from taking water from the well. To set an example for others not to think of cheating and trapping others, Birbal pronounced a small fine for Raghu. Since that day, Raghu has never cheated anyone else.
