第三部分 写作 (共两节, 满分 40 分)

第一节 (满分 15 分)

Dear Mary,

Terribly sorry to learn that you have trouble in studying online. Don't worry about your falling behind. Here are my suggestions.

How about tidying up your desk, which will keep you away from all the distractions. What's more, turn off all the apps that will disturb you. Last but not least, it is of importance for you to engage yourself in the class actively like sharing your views and discussing problems because it leaves you no room for being absent-minded.

Hopefully, these proposals will be of some help to you. Best wishes for your improvement.

Yours sincerely,
Li Hua

第二节 (满分 25 分)

Looking around, she noticed a woman standing meters away talking on her phone. She hurried to her for help, "Excuse me, could you help the old man over there?" The woman smiled, "Sure!" Quickly leading the lady to the old man, Helen urged the woman to dial 911 at once. When the ambulance arrived, Helen offered to accompany him to the City Hospital. Shortly after, Dr Smith, who happened to be on duty, rushed to check on the old man.

"He's my dad! Where did you find him?" Dr. Smith cried. Helen briefly explained to Dr. Smith what had happened. After giving his father proper treatment, Dr. Smith thanked Helen for her timely help, asking "Is there something I can do in return for your kindness?" "Yes, please! My mom needs an operation. But we don't have enough money." Helen replied in a low voice. Dr. Smith promised to perform the operation on her mom and cover the expense. Moved into tears, Helen had never thought one good turn deserved another.
