#### One Possible Version:

As the saying goes, music is the medicine of the soul. And for me, it is also an enlightening teacher in my life.

In numerous instants between music and me, what impressed me most was the experience when I first began my high school life. At that time, I continuously failed in my academic performance, losing heart and floating in an ocean of sadness. However, in an accidental

opportunity, I found the charm of music. Each time I got immersed in music, the warm lyrics and encouraging songs would send unceasing power into my inner heart, helping me out of depression.

Since then, I have written many vivid stories between music and me. Music is not only a kind of optional medicine healing my heart, but also a great teacher inspiring me to bravely overcome the challenges in life.

4. 词数少于 100 的，从总分中减去 2 分。
5. 评分时，语言层面，应注意的主要内容为：时态、人称、内容要点、应用词汇和语法结构的数量和准确性、上下文的连贯性及语言的得体性。
6. 拼写与标点符号是语言准确性的一个方面，评分时，应视其对交际的影响程度予以考虑。英、美拼写及词汇用法均可接受。
7. 如书写较差，以至影响交际，将分数降低一个档次。

## 听力部分录音稿

这是 2022 学年第二学期高中期末测试英语听力部分。该部分分为第一、第二两节。

注意，回答听力部分时，请先将答案标在试卷上。听力部分结束前，你将有两分钟时间将你的答案转涂到客观题答题卡上。

请看听力部分第一节。

**第一节：听下面 5 段对话。每段对话后有一个小题，从题中所给的 A、B、C 三个选项选出最佳选项，并标在试卷的相应位置。听完每段对话后，你都有 10 秒钟的时间来回答有关小题和阅读下一小题。每段对话仅读一遍。**

(Text 1)

W: I'll take the No.2 bus to the city center.

M: But it's canceled today. You can drive my car.

W: Great. Thank you! Otherwise, I'll have to walk.

(Text 2)

W: I'll bring your coffee, Mr. Richardson.

M: Not today. All that coffee is keeping me awake at night. I'll have a cup of tea.

W: I prefer some milk. They say drinking milk before bedtime helps sleep.

(Text 3)

W: This is Jane Fleming for City News. I have one of the firefighters with me. Tell me, how did the fire start?

M: It's too early to say. The policemen are looking through the ruined building to find the cause of the fire.

(Text 4)

M: I'm going to sing a song for Lucy and Henry on their wedding ceremony. And you?

W: Let me see. I just learned Latin dance. I can perform that for our best friends.

(Text 5)

M: Sorry, Ms. Landon. I forgot to finish the math paper.

W: Well, I can forgive you this time. At least you tell me the truth instead of lying to me. Don't forget it next time.

M: I won't. Thanks for your understanding. You're so kind, Ms. Landon.

第一节到此结束。

**第二节：听下面 4 段对话或独白。每段对话或独白后有几个小题，从题中所给的 A、B、C 三个选项选出最佳选项，并标在试卷的相应位置。听每段对话或独白前，你将有时间阅读各个小题，每小题 5 秒钟；听完后，各小题将给出 5 秒钟的作答时间。每段对话或独白读两遍。**

听下面一段对话，回答第 6 和第 7 两个小题。现在，你有 10 秒钟的时间阅读这两个小题。

(Text 6)

W: It's good to enjoy Teachers' Day! Teachers can have a short holiday. I will go to the new department store to buy new clothes.

M: We can have a short rest during Teachers' Day! As time goes by, good feelings will fade. After Teachers' Day, every task that should be done will be continued.

W: So before Teachers' Day, we should keep smart at our work.

M: Right. Let's do it together.

听下面一段对话，回答第 8 和第 9 两个小题。现在，你有 10 秒钟的时间阅读这两个小题。

(Text 7)

M: Did you know bees can communicate with one another?

W: Really? How?

M: They use body language to show which direction the food is in, how far away it is, and how much food is available.

W: No kidding...

M: Yeah, see that one there? See how she's going around and around in circles, like she's dancing? That means the food is nearby. And the faster she dances, the more food is available. If the food is farther away, the bee points toward it with her body.

W: How do you know so much about bees?

M: I think it's fascinating to read books about insects. I really hope to study biology in college.

听下面一段对话，回答第 10 至第 12 三个小题。现在，你有 15 秒钟的时间阅读这三个小题。

(Text 8)

M: Excuse me, I'm looking for a photographer to take some photos for me.

W: Of course, sir. We have a few photographers. What sort of photo do you require? Baby? Family?

M: Actually, I'm looking to take some photos of my cat and dog together.

W: Certainly. Our photographer David is known for his animal photos.

M: Great. So should I bring them here or would he come to my home?

W: Which works better for you?

M: I suppose coming to my home would be better. My cat doesn't go outside.

W: Okay, and what date suits you best?

M: Could we make it on a weekday?

W: Yes, we have space on the 14th.

M: Great. And how much will it cost?

W: The price of the photo-taking will be \$100, and then there will be \$50 for ten pictures.

M: Not a problem.

听下面一段独白，回答第 13 至第 15 三个小题。现在，你有 15 秒钟的时间阅读这三个小题。

(Text 9)

Right, the next part of my talk is about the banks in Britain and their student services. I hope you can listen to me carefully. Then you can choose a suitable bank for yourself. First of all, the NatWest account. This account charges you nothing if you're overdrawn. Besides, you can get a credit card and the interest rate for that is about 18.9% per year. Also, the bank offers discounts on train fares in Britain. The second account is Barclays. Like the NatWest account, this account charges you nothing if you're overdrawn. In addition, this bank offers a credit card with an interest rate of 19.9%. With this account, students also get free mobile phone insurance. I imagine that's popular with many of you. But I'm afraid there aren't many branches in Britain. Right, now the HSBC account. This account charges you nothing if you're overdrawn. In addition, there's a credit card and the interest rate is 18.8%. As well as this, students get a free driving lesson. So, that's an overview of the three main banks and their student accounts. Are there any questions?

第二节到此结束，现在，你有两分钟时间将试卷上的答案转涂到答题卡上。

听力部分到此结束。
