## 第四部分 写作

### 第一节

*One possible version:*

Dear humans,

I'm a polar bear, your big and white friend in the north. Facing the challenge of losing precious ice land, I am writing to ask you for some ways out.

With the development of industry and cities, climate has been worsening. As the planet warms, it becomes harder for us to get food. Thus, recent years have witnessed many of my peers' death. The loss of our species is the loss of yours. I sincerely beg for your immediate actions to protect our common home — the Earth. Only if you take strong measures, can wild animals, like me, be preserved and it is not until then that we will make a better home together.

Thanks for reading!

Your forever friend,  
a polar bear

### 第二节 读后续写

**Him? On stage? In a public speaking contest?** Marco was very surprised at the news. Hardly could he imagine himself speaking in front of a big crowd. But Aunt Ginette was so confident. She seemed really serious and insisted that it was something he could do. She truly believed in him. Feeling her strong belief, Marco went against everything he had ever experienced, and agreed to enter the contest. Once determined, he spared no efforts to practice. He was taken by an energy he had never felt before. The hours and obstacles no longer counted.

**Four months later, the big night arrived.** His Aunt Ginette, his sister and even his father, were all in the audience. Marco was overwhelmed with butterflies filling his stomach. But when he stepped onto the stage and began to speak, he felt totally at home, totally at peace. He was funny, witty and acted extremely natural as he spoke. The audience loved him! To his shock and amazement, he WON! When he saw his father's face, his eyes were glowing — he was so proud. He realized then that he believed in him, just like his Aunt Ginette.

## 听力材料

高三英语答案 第 3 页 (共 5 页)

**Text 1** 表快了 15 分钟

W: Oh, no. **It's five o'clock already**, and I haven't finished my homework.

M: Don't worry. **That clock is fifteen minutes fast.** You still have time to do it.

**Text 2** 对房子满意

M: I really like the kitchen area. It's nice and open. It's very different from our old place.

W: I agree. I really like the wooden floor. Let's go take a look at the other rooms. **If those are nice, we should make an offer.**

**Text 3** 计划去公园遛狗

W: Hey, Josh. Will you take Pepper for a walk with me?

M: Sure! Let's take her to the park. We should have time to play there and still make it back for dinner, **so we don't get Mom and Dad into trouble.**

W: Good idea.

**Text 4** 读书

W: I hope you like the book I lent you. I wasn't sure if you'd be interested.

M: I had the same doubt at first. **But once I started, I simply couldn't put it down.**

**Text 5** 准备报告

M: Here are the reports you asked for. These are last year's sales numbers and I've updated this year's data, too.

W: You still haven't provided me with our other stores' numbers for comparison. I think you'll need to stay late again...

**Text 6** 咨询赴宴的相关礼仪

W: I've got a dinner invitation. What do I need to prepare?

M: Normally, you should bring a gift for your host. Simple things like a tie or a scarf.

W: I see. **⑥I think I'll bring chocolates.** The host likes them so much. What about the dress?

M: Well, it depends on who sent the invitation. If it is a friend or a family member, you don't need to be very formal.

W: **⑦Oh, God. Too many table manners always make me nervous! I'm afraid I would make mistakes.**

M: Don't worry. If you're not sure what to do, just have a look at what the other guests are doing.

W: OK. Thank you.

**Text 7** 缺少睡眠导致头疼

M: You look pale, Stephanie. What's wrong?

W: I don't feel good. **⑧I have a bad headache.** In fact, I haven't got much sleep this past week, and I feel really tired.

M: Why don't you go to see a doctor?

W: Yeah, I think I should. **⑨But I have a report due tomorrow.** Ms. Jenkins needs it for the board meeting next Monday.

M: **⑩Well, it's Wednesday today. ⑩Why don't you talk to Ms. Jenkins, and ask if you can hand it in on Friday morning?**

W: Maybe I should try. I guess I just need a good sleep. Thanks, George.

M: If you need any help with the report, just let me know.

**Text 8** 人物访谈

W: **⑬Mr. Holmes, thanks for coming to the show. ⑬So how long have you kept this toy turtle?**

M: ⑪**For eighteen years. My daughter gave it to me when she was just two years old.** She asked me to take it to work. I've been bringing it to work and from my law office ever since.

W: Why did your daughter give it to you?

M: She said I could look at it when I missed her. Now I think of it as a part of my daughter being with me.

W: So does your daughter know you still keep it?

M: Yes. ⑫**I showed it to Kate yesterday morning. She was really amazed. Then she shared the story on the Internet.** It has been read by millions of people.

W: Your story is very touching. Now many teenagers complain that they don't have a close relationship with their dads or that their dads aren't really expressive. You've really set a good example to other dads in the country.

M: Thanks.

#### Text 9 寻找丢失的手提包

M: ⑭**How may I help you, madam?**

W: ⑮**I left my handbag on one of your planes last night.** That's Flight PA356.

M: OK. Now what happened last night?

W: Well, I was on a flight last night from New York to London that landed at 12:30 pm. We were delayed a while in New York so that when we eventually landed, I was so tired that I accidentally left my handbag on the plane.

M: Can you describe the handbag to me?

W: ⑯**It's very dark red** with black handles and the catch on the top is gold colored.

M: OK. Can you tell me what is inside the bag?

W: Quite a few things actually. Not my passport of course or I would never have got out of the airport. ⑰**My purse is inside.** There is also my credit card and some membership cards. Luckily, I put my ID card in my pocket, so it wasn't lost. And fortunately I took my house keys and mobile phone with me.

M: Have you informed the police about the loss of the credit card?

W: Yes, and I've also canceled the card with the credit company.

M: Right. Now what I'll do is phone the Lost and Found Office, which is where your bag will have gone if it is found. ⑱**I'll call you back within an hour and tell you what the situation is.**

W: ⑲**That's OK.** Thank you.

#### Text 10 宣布比赛获奖名单

W: Thanks to all the competitors. I won't say much because I know you're all anxious to hear the results—it was a very difficult decision and ⑳**I'll start with the band which comes in fourth. That's Texas Team, who are the youngest group here today.** Unfortunately, the violinist played so quietly that we couldn't hear him. So bad luck to Texas Team. ㉑**Third is Eastside.** They are such good dancers that they should enter for a dance competition. ㉒**And with a bit more practice on the music they'll do very well.** In second place is Third Avenue. They did well, especially their young guitarist, but the singer looked so unhappy that we thought maybe he didn't want to win! Never mind—you nearly won, so better luck next time. ㉓**Congratulations to The Storm who are our winners today. The singer had such a great voice that we had to give them first place. Well done.**
