Nature in Words

Of all seasons, I give credit for autumn. The leaves begin to change color, turning the whole world into a portrait of gold and rust. It was bright, with a sky so blue that you can drown in it. Farmers are merrily harvesting the wheat, which waves in breeze. Autumn never fails to bring me joy and peace. As Tagore said, "Let life be beautiful like summer flowers and death like autumn leaves." For me, autumn is like a wise man, teaching us to appreciate the efforts, to accept the gift of nature and prepare for whatever comes our way.

【参考范文】

The big day finally arrived! Guided to the stage, I was left alone to begin my speech. Fear slowly crept upon me and my voice was choking with horror. Feeling dizzy, I took a deep breath as I struggled to wrap up my presentation. Gradually, I picked up confidence and delivered the speech smoothly. Blind as I was, I managed to interact with my audience with proper gestures and tones, whose applause lingered around the hall. “Your story is well-organized, creative and inspiring,” a judge commented.

I went up to my teacher after the award ceremony. At the sight of me, she exclaimed in delight, “Congratulations! You are amazing!” Overwhelmed with excitement, I threw myself into her arms, handing her my certificate of honor. “Thanks! But for your encouragement, I...” Joy choked my words, and tears of joy flooded my eyes. “You are more capable than you imagine!” she added. From then on, I was convinced that I could conquer the darkness and enjoy a glorious life, as long as I tried my best.

M: Everyone should get insurance, otherwise the car is not allowed on the road.

W: I'll keep it in mind. But I don't know which car to buy yet.

M: You can choose one according to your need. There are sports cars, off-road cars and family cars.

W: I'd like the last one. Then I can go on road trips with my parents around our beautiful city.

M: That's good. My brother has been running a car company for five years. I can take you to his shop.

(19)** We are sorry that we can't offer hotels at the moment.

Please note that Panama is also included in the no-go list, as its south part will also be hit by the storm. (20) However, you can reach Buenos Aires in Argentina with two flights tomorrow: one from Berlin at 8: 00 p.m., and one from Paris at 3: 00 p.m. Please note that the plane from Paris will stop in Cairo for about three hours, where the passengers can also take flights to other places. We are working hard to get what you need as quickly and safely as possible on the next available flights. Thank you for your patience.
