应用文

One possible version:

Dear Sir,

Hearing that new members are wanted for our school English theater club, I'm writing to apply to join it.

I'm keen on English theatre and have a strong motivation to create new opportunities for myself. By joining the English theatre club, not only can I have an excellent knowledge of English, but also I can grasp theatre-based techniques like role-play and storytelling. If elected, I'll be engaged in all activities, providing more high-quality performances for people to enjoy.

I'd appreciate it so much if you could possibly consider my application. Looking forward to your reply.

Yours,

Li Hua

读后续写

One possible version:

Soon after, Indra was informed that the welfare officer was waiting in the hospital lobby (大厅). With a heavy heart, Indra helped Mr. Dev to get ready. He was still a bit weak, so she put him in a wheelchair to take him down to the lobby. Her eyes were misty when she saw how sad the old man looked as they got into the lift. Indra wanted to comfort him, but she couldn't even utter a word. A moment later, the lift doors opened at the ground level.

Indra was pushing the wheelchair out of the lift when a woman's voice cried out 'Papa!'. And then a middle-aged woman rushed forward and embraced the old man in the wheelchair. Both of them began to weep. At the sight of this, Indra smiled through her tears. It was the miracle that she had prayed for. Indra left the scene of the reunion quietly and went to look for the welfare officer. She was eager to tell him the 'bad' news that his trip to collect Mr. Dev was a wasted one.
