Sample writing 1. (身边的故事)

I have a story to tell you, which influences me greatly. The story is about challenges.

When I was in junior school, I wanted to join the school football team, and I signed up for it. All the candidates would try out for a month and only those who finished running in a required time could be accepted. Though not good at running, I was so eager to become a football player that I practiced running every morning. To my surprise, after a month's hard work, I made it to the football team.

From the above story, I get to know that so long as we are never afraid of challenges and face them bravely, sooner or later we will make it. Challenges are strong motivations that drive us on the way to success.

Sample writing 2. (古代的故事)

I have a story to tell you, which influences me greatly. The story is about perseverance.

During the Tang Dynasty, there lived a great poet called Li Bai, who liked playing and was afraid of difficulties in his childhood. One morning, on his way home after school, he walked by a stream, where he saw an old woman grinding a very thick iron rod. He curiously asked why she was doing so. The old woman replied, "To make a needle." Li Bai felt curious about the answer. "How can you grind such a thick iron rod into a needle?" "If one works with constant effort, he can make it." she answered. Hearing these words, Li Bai was inspired. After that, Li Bai studied hard, made rapid progress and became a famous poet in the Tang Dynasty.

The story has a great influence on me, from which I realize that so long as we don't give up, we will succeed sooner or later. Perseverance is a strong motivation that drives us on the way to success.
