Dear Martin,

You are welcome to come to our school as an exchange student. I am very delighted to introduce the courses arranged for you.

Apart from Chinese, math, physics, chemistry and PE, you are expected to learn Chinese painting and tea arts, which can help you know more about Chinese culture. At weekends you can visit some museums or places of interest. If you would like to make a trip, I will be more than happy to be your guide. You are to eat in the school canteen and stay in the school dormitory during your study here.

I hope you can have a good time here.

Yours,

Li Hua
