M: I bought an exercise bike from your store last year, and I am having problems with it. I need to have it repaired.

M: It is a 126 Upright Ford Bike.

W: I can send a technician out to take a look at your bike. It will cost \$75.00 for labour. Also, if we have to replace any parts, that will be extra.

Text 9

W: I will have to give a presentation on global warming on Friday, and I am so nervous.

M: There are a lot of things you can do to make you feel more confident and less nervous. You need to practice your presentation. Just pretend that you are standing in front of your audience and start to give your speech.

W: Pretending is one thing; actually giving a speech is another thing.

M: Think positively. Tell yourself that you can do it without any problems.

W: I guess I can look at this as a presentation of my point of view to my friends. I mean a lot of my friends. I mean all the friends that I have made since kindergarten, just like you, plus all the relatives that I have on both my mother's and father's sides.

M: If you are really prepared, it will be a piece of cake. You will be able to speak with ease and confidence, and you will be amazed at how well you can express yourself.

W: I need to do this presentation really well. This is my first presentation in front of a big audience, and it is so important to me.

M: This is only the beginning, Mary. Being able to express your ideas with confidence and clearness is one of the best skills to possess.

W: You are absolutely right. I will take time to practice and to learn to relax and express myself really well. Wish me luck!

M: I know you. You can do it. Good luck!

书面表达(满分 25 分)

One possible version:

Dear John,

How is everything going these days?

The Spring Festival holiday is drawing near. In order to explore the splendid Chinese culture, some of my classmates are planning a tour of Henan Province in central China. Henan has been called "the Central Plains" due to its unique location since ancient times. We'll travel by high-speed train and visit two major cities in Henan Province, Luoyang and Kaifeng, both of which served as capital cities of several dynasties. The two cities boast many historical heritages and scenic attractions as well.

As far as I know, you're enthusiastic about Chinese culture, so why not join us in the pleasant trip? Hoping you can reply as soon as possible.

Yours sincerely,

Li Hua
