## 短文改错

As senior high school students, we often imagine which we will do in the future. For me, I expect ∧ be a Chinese teacher working in an English-speaking country.  
what to

First, I'm an outgoing boy without great patience. Besides, I had a good command of Chinese. Also, I can speak fluently English, which is a must-have skill to communicate with the children that native language is English. In the addition, teachers are generally respected. However, what is the most important for you to take up this job is that I can share Chinese culture and customs with foreigner. I can also help them have a better understanding of China by done such a job.  
with have  
fluent whose  
me  
foreigners  
doing

## 书面表达

### 参考范文:

Dear Leslie,

How are you doing? I am writing in acknowledgement of receiving the favored gift you have selected for me, which makes me so happy that I can't help but show it off.

No words can express my pleasure and my gratitude to you for the beautiful gift. To genuinely convey my thankfulness to you, I have chosen a gift in return for your kindness. As far as I know, you take a great interest in Chinese traditional culture. Therefore, I will send you a set of Chinese zodiac cutting paper made by famous Chinese artists. I am sure you will fall in love with it.

I am looking forward to your reply.

Yours,  
Li Hua
