Dear Sir/Madam,

On 3rd February, 2023, I flew business class on your flight FL753 from China to London. I am writing to report the loss of my wallet.

I clearly remember it was with me immediately I boarded the plane. However, on arrival in London Heathrow Airport, I found it gone. I guess it must have slipped out of my pocket during the flight. It is a black leather one with around 200 pounds, my ID card, and 2 credit cards in it. Along with the items mentioned above, the wallet contains a family photo, my precious memory. As you can imagine, these matter a lot to me. Has anybody happened to find it? Please email me at lihua2000@googlemail.com.

Thank you for your time and support.

Yours sincerely,

Li Hua

第二节

A strange man came forward from the back of the hall. He walked slowly and appeared to be in great pain. When he got to the front of the room, he stood directly in front of the little girl. Standing there for long enough, he said nothing but just held out his arms. His hands and arms were terribly scarred. The crowd uttered various opinions. Whereas no one spoke for the scarred man. The meeting chairman quieted everybody down and asked, "Tell us, little girl, will you go with this man and be his daughter?"

All eyes turned to the girl in disapproval. She looks up at him, her eyes brilliant with unwept tears. She rubbed her face and cried out, "This is the man who rescued me!" With a leap, she threw her arms around the man's neck burying her face in his shoulder. She sobbed for a few moments, and then determinedly nodded a very big "yes" to the meeting chairman with a wide smile. All the people sincerely congratulated the girl's choice, for they all understand that actions speak louder than words.
