第一节

参考范文:

The traditional Chinese culture item I introduce is *dian cha*, a kind of tea art popular in the Song Dynasty. The technique begins with pouring hot water over powdered tea to create a paste. Then, more hot water is slowly added as the tea is constantly whisked by hand with a bamboo stick. This action of pouring hot water is called *dian*, giving this art the name *dian cha*.

I appreciate it because it is unique in the world. Besides, it makes drinking tea more enjoyable, which also gives us an insight into people's lifestyle in the Song Dynasty.

第二节

参考范文:

Paragraph 1:

While travelling, the two did meet some hardships or danger. They were forced to avoid wild dogs, got lost a time or two, suffered sore feet, and befriended a wild donkey, but no matter how unusual the conditions were, they just kept going. Romeo wanted nothing but a hug from his 77-year-old grandma, which motivated and inspired him greatly on the journey.

Paragraph 2:

On September 21, father and son finally made it to Grandma Rosemary's home in London. When Grandma's house eventually came in sight, Romeo burst into a joyful run that ended in the embrace he'd so longed for.

Grandma didn't believe her grandson's unbelievable journey at first. But more than anything else, her heart was filled with love and gratitude. "Children can inspire us and lift us all up. On behalf of all the grannies in all the world, I want to thank Romeo and hug him and kiss him a lot," she told the Times.

W: Great.

W: I'd like to apply for a secretarial position.

M: Very well, do you know any shorthand?

W: No, but ^①**I can write very fast.**

M: Can you use a typewriter and other office machines?

W: No, but I'll be glad to learn how to use them.

M: Yes, I see. This is a fulltime job. Can you work every day from nine to five?

W: Oh, no. I'm a student at the university and I have to study most of the time. I can only work part time.

M: I couldn't possibly hire you. You can't take shorthand, you can't type and you can only work part time. Why did you apply for a full time secretarial job?

W: Well, I thought you might be able to arrange something special for your daughter, ^②**Dad.**

听下面一段对话，回答第8至第10题。现在你有15秒钟的时间阅读这三个小题。

M: ^③**What kind of dress are you looking for?**

W: Since it's getting warmer this time of year, I want something lightweight. What material do you think would be best?

M: Let's see what there is. We can go to several stores. Personally, ^④**I like a cotton dress for spring.**

W: ^⑤**So do I.** And I could wear it all summer, too. I want something I can use for a long time.

M: What color would you like? Yellow or green would be good colors for you?

W: Oh! ^⑥**I want a white dress.**

M: Are you sure? It's not a very practical color. It gets dirty so fast.

W: I know. But I'm getting married on Saturday, and white is the traditional color for a wedding dress.

听下面一段对话，回答第11至第13题。现在你有15秒钟的时间阅读这三个小题。

M: Anything to declare?

W: No, nothing.

M: What's this?

W: This is ^⑦**my camera.** I use it myself.

M: Any liquor, cigarettes or gifts?

W: I have ^⑧**3 bottles of whisky and some gifts** ^⑨**for my friends here.**

M: ^⑩**Do you have your customs declaration form?**

W: ^⑪**Here it is.**

M: Let me see. You have 3 bottles of whisky and some gifts. What kind of gifts do you have?

W: These are Chinese fans.

M: How many do you have?

W: Forty.

M: Is that too much?

W: Well, it's OK.

听下面一段对话，回答第14至第16题。现在你有15秒钟的时间阅读这三个小题。

W: ^⑫**Look at the buttons on this shirt. They're ivory.**

M: What! I'm surprised you would buy ivory. Aren't you concerned with saving all the endangered species? Don't you know that ivory comes from the tusks of elephants?

W: Of course I know that. ¹⁵ **These buttons are vegetable ivory.**

M: Vegetable ivory? I don't think I've ever heard of such a thing.

W: ¹⁶ **It comes from a tree** called an ivory nut palm. The tree is common in South America. It's not the same as real ivory, but it can be polished to look almost identical.

M: ¹⁶ **What part of the plant does it come from?** Is it a root or something?

W: No, ¹⁶ **it grows at the base of the flowers that the tree produces.** In fact, this button is about the size of an average specimen.

M: Well, if that's as big as it gets, it certainly wouldn't be useful for any large carvings. You couldn't make piano keys out of it either.

W: I admit that vegetable ivory isn't a perfect substitute for elephant ivory, but at least it was a good enough idea to convince me to buy this shirt.

M: Yes, I can't argue with your logic there.

听下面一段独白，回答第17至第20题。现在你有20秒钟的时间阅读这四个小题。

Text 10

Good morning, team. ¹⁷ **I'm happy to see all of you here this Saturday.** As part of your training for the spring track and field events, we'll spend all the time today on the relay. ¹⁷ **In a relay race, each member of a team of four runners runs a certain distance before being replaced by another team member.** ¹⁸ **Usually a team begins with the second fastest runner, then the slowest, then the third fastest.** The fastest runner is the last. ¹⁹ **In a relay race, the runners carry a baton, which is passed from one team member to the next.** The runner stands to the left of the track in a start position, head turned to look at the oncoming runner. When the oncoming runner reaches a certain mark, the waiting runner begins to run. They both run the course for a moment before the baton is passed. The exchange must be made within twenty meters or the team will be taken out of the race. ²⁰ **There are four methods of exchange, which I will show you.**
