I used to lie on the couch comfortable eating chips and watching TV until I joined the running club. Now, I would rather running hard for an hour every day. It is running which helps me lose weight, which provide great health benefits. Now I'm much more healthier than before. I was advised to keep going or I will be a couch potato(电视迷) again! Besides, either good grades and involvement in after-school clubs A highly valued when we apply for college. Joining clubs is on great significance.

Text 10 (第18题为推断题)

Good afternoon, students. This is your principal speaking. First, I want to say congratulations to all of the graduates of this year's senior class. You've come a long way and are making us all proud. The main reason for this announcement is to remind you about next week's graduation ceremony. **We need everyone at the Greek Theater at 9:00 a. m. sharp because we need to begin right on time at 11:00 a. m.** (19) But before that, the theater staff need to test the sound and the lights, and everyone will do performance practice. Parents and friends will start arriving at 10:30. Please remind your guests that we are expecting a very warm day on Friday, so tell them to dress accordingly. Unfortunately, your graduation clothing isn't the best for this kind of weather, but the entire ceremony shouldn't take more than one hour. You should have all received your invitations last week. If this is not the case, please talk to your school teacher immediately. **Graduation photos must be ordered and paid for by Wednesday at the latest.** (20) Go to the main gym and get the forms there. This is also where all fees should be paid. If you have any other questions, feel free to talk to your homeroom teacher on Monday morning.
