Love Yourself, Start from the Heart

Aiming to promote self-love and positive mental health among students, our school launched a series of activities with the theme of "Love Yourself, Start from the Heart" on May 25<sup>th</sup>, Mental Health Day.

With hundreds of students involved, the event featured a diverse range of activities, comprising workshops on self-care, meditation sessions, and enlightening talks by mental health professionals. Most impressive of all were various art activities, where students were encouraged to express their emotions through painting and creative writing.

The event received an overwhelmingly positive response from students, with many appreciating the school's emphasis on mental health care and its focus on reducing academic pressure.

【参考范文】

**The costume show began. Suddenly, Coco started barking and racing all over the place!** "Watch out!" yelled my dad. Too late. The dog ran straight for the container holding bags of flour. **CRASH!** The container tipped, the bags split, and a cloud of flour filled the air! Coco was so covered in flour that she turned totally white; the only two things that weren't white were her big brown eyes. Everybody, including the little girl, laughed their heads off. My mum approached Coco, rubbing her hairy head gently.

**"Well, White Coco," my mom said with a giggle. "Now you're wearing the ever-best costume!"** Exploding into wilder laughter, people came flooding in, handing their donations to help the shelter. Ollie and I, both rushing off our feet, bubbled over with joy. Those struggling moments when Ollie and I nearly gave up a bunch of times flashed back, and we were glad we didn't quit and stuck with it. It felt really good to help the animals, and to have a bunch of laughs along the way.

【材料分析】

本文讲述了为庆祝即将到来的万圣节，我和好朋友 Ollie 想了一个点子，但因实施起来有很多困难未能成功。俩人本想着放弃的时候，峰回路转，我妈妈的做法给了我们灵感：有一天在爸爸妈妈的面包店帮忙的时候，碰巧看到妈妈在做松饼、曲奇饼干，要送到动物收容所。我们决定办一场狗狗服装秀，所得钱款全部捐赠给动物收容所。我们俩列了个待办事项的清单。先是寻找比赛场地，颇费了一番周折，我们几度想要放弃，最终才选定在爸妈的面包店外举行。接着是费心地筹划、宣传、准备。最终狗狗服装秀如期举行，很多人蜂拥而至，很多狗狗报名参赛。有个小女孩却哭了，因为她的贵妇犬 Coco 的服装在路上裂开了，Coco 没有服装参赛了。我和 Ollie 拿来松饼和曲奇饼干安慰小女孩，小女孩破涕为笑。

第 2 页 共 5 页

【续写解析】

(1) 由第一段首句“服装秀开始了。突然, Coco 开始汪汪叫, 满场子乱跑”顺推, 第二段首句“妈妈咯咯笑着说, White CoCo, 现在你身上穿的是史上最佳服装了”逆推, 结合原文伏笔“我和 Collie 帮妈妈从一个装满面粉袋的容器里往外舀面粉”“面粉溅了 Ollie 一脸, 逗得我大笑”, “Coco 的服装在路上裂开了, 现在她没有参赛服装了”可知, 第一段续写要点:

狗狗满场乱跑的时候, 把装面粉的容器撞碎了, 袋子裂开了, 面粉撒了 Coco 一身, 好像给 Coco 穿了件白色的参赛服装;

能另外写到现场诸人的反应, 突出现场的笑声和欢乐的气氛, 可适当加分!

**注意:** 结尾要注意和第二段段首句的衔接, 写到妈妈的出场。

(2) 第二段: 要解决原文设置的悬念“我和 Ollie 举办的狗狗服装秀能否成功募捐到钱”。第二段续写要点:

①听了妈妈的话, 现场观众开心地笑, 争相捐钱。

②我和 Collie 忙得不亦乐乎, 活动很成功。

我的感悟: 能为关爱狗狗尽一份绵薄之力, 虽然忙碌辛苦但也觉得快乐和满足!  
**注意:** 最后的点题升华, 可以写到人狗狗的关爱, 我收获的快乐和满足, 能另外提到不轻言放弃, 可适当加分!

附录: 听力原文

Text 1

M: What are you doing on the floor, Betty? Did you fall out of bed and hurt your back?

W: No, no. I'm just doing my daily exercises. (1) Do you want to join me?

Text 2

M: My steak wasn't done the way I asked for. It should have been cooked longer.

How was your meal?

W: My chicken was too tough. (2) Oh well, sometimes these things happen.

Text 3

W: Wow! Look at how well the flowers in your garden are growing. They look really healthy.

M: It's a good thing that it rained this weekend. Otherwise, they might already be dead. (3)

Text 4

M: What a lovely little dog! Look how lively he is. How long have you had him?

W: Actually, my sister asked me to walk him. He is her daughter's pride and joy, but the little girl and her brother are in bed with flu. (4)

Text 5

W: We are heading towards the shore. If you don't want to hit the rocks, you need to turn to the other direction.

M: I'm trying, but the waves are slowing us down. (5) We need to work together!

Text 6

M: Where are you going with those bags?

W: To the market. And I found the shortest route, too. It will make a difference when I'm carrying heavy bags of groceries back. (6)

第 3 页 共 5 页

M: Which way are you referring to? I can meet you there in a few minutes and then help bring the bags back. (6)

W: Wonderful. First, I'll walk toward the corner store. (7) Then I'll cross the big street and turn left. Next I'll take the first right onto North Avenue. I'll pass four more streets, and a big market will be straight ahead of me. If you can't meet me on the way, I'll be at the fruit stand in the back.

Text 7 (第 8 题为推断题)

M: Kristy, I've been practicing my baking skills, and I need your honest opinion. Here, try these three cookies and tell me what you think.

W: You mean I get to eat free cookies? Of course I'll help!

M: This is my chocolate cookie... So? (9)

W: Well, it's not the worst I've ever had, but it's not the best, either. It feels like I'm biting into a piece of wood. Tasty wood, though. (9)

M: Ha-ha. I must have put in too much flour. Try the peanut butter cookie.

W: It's much softer than the first one, although it isn't as tasty. Not bad, though.

M: OK, the last one is the sugar cookie. (10)

W: This is amazing! This tastes like that I had last Christmas! How did you make this?

M: I didn't. It's from the store. (10)

W: I knew it!

Text 8 (第 11 题为推断题)

W: Wow, our old neighborhood has changed so much since we were kids. Mom and dad wouldn't recognize it!

M: I know. It's all new homes and apartment buildings now.

W: Wait a minute... Isn't that where the old video store used to be? Now it's a parking lot. (12)

M: Well, nobody watches videos anymore. Everything is either online or in theaters.

W: Look, there's a cinema right where the old convenience store used to be. And the rest of the mall behind it looks huge!

M: Poor Mr. Otto. (13) That place was his whole life. He always wanted to open his own ice cream shop. (13) I wonder what happened to him.

W: Who knows? I bet he got a lot of money, though.

M: I miss how things used to be. This town used to have a ton of character.

W: This is so depressing! Let's get some ice cream over there. Maybe that will cheer us up. (13)

M: Oh, my! Look who it is! (13)

W: No way! He did it! He actually did it! (13)

Text 9

M: I got a flat tire on the way. (14) That's why I'm so late. (15)

W: Well, why didn't you call a truck that can help you move?

M: I don't think they come out to fix bikes. (14)

W: Oh! I thought you were driving.

M: No. I needed the exercise.

W: I understand. I work so long in the lab all day that I don't get a lot of activity. I try to walk for half of my lunch hour. Did you call a taxi?

第 4 页 共 5 页

M: Actually, I walked the rest of the way. It was only three more miles. So, I got plenty of exercise anyway.

W: **So I guess you should have only been 45 minutes late. (16) We started at 10:00. Why didn't you show up until 11:15? (15) (16)**

M: Oh, I left home 30 minutes late to begin with. (16)

W: You're always late, you know. **Next time, I'm going to tell you that the meeting time is an hour earlier than it really starts. (17)** Then, maybe you'll be on time.

M: That's my mother's reasoning. She always says that if she doesn't want me to make the dinner cold, she has to invite me over two hours in advance. But if you want this to work, don't tell me about it in advance!

**Text 10 (第 20 题为总结题)**

We all want to pass our exams. But how do we remember all those facts? **First, become interested in what you're learning. Few people, for example, have a difficult time remembering the names of people they find attractive. (19)** Make a mental picture of whatever you want to recall. If you want to memorize facts, find a way to relate them in your mind visually with a memory tree. Construct big branches first, then leaves. Associate what you're trying to learn with what you know. The more mental connections we have to a piece of information, the more successful we'll be in remembering it. Second, write out the items to be memorized over and over. Such lists improve recall. When reading, leave spaces to summarize each paragraph. This requires you to think about what you're reading, recycle it, and teach it to yourself again. **Do most of your studying in the afternoon. Scientists believe this is the time we think most quickly. (20)** Finally, get adequate sleep to strengthen memories.
