Good morning, ladies and gentlemen! I'm Li Hua. It's my honor to share with you my favorite city Chongqing.

Chongqing is the biggest industrial and commercial center in southwestern China. Known as "Mountain City" for its mountainous landscape, it is a beautiful peninsula surrounded by water on three sides. The breathtaking scenery of many tourist attractions has attracted tourists throughout the world. The night view of millions of lights reflected on the river will never fail to fascinate you. If tired, you can stop by a restaurant and enjoy a spicy hotpot.

Chongqing has a lot more to offer. Just come and experience it first-hand!

Thanks for your listening.
