第二节 (满分 25 分) (One possible version)

**Early the next morning, John secretly left home with the money.** He went to a shop, bought what he needed and hurried to the destination where the competition was being held. Seated in the hall, John was quite nervous initially but as he started drawing, he was completely lost in his creation of art. One minute before the end, a vivid picture of a lively forest appeared on

the paper. Having submitted it, John headed home cheerfully only to see his mother's angry face. He explained he'd rather skip lunch through the next month than give up the opportunity, which left his mom worried and speechless.

**A week later, a phone call came to John's home.** It was from the competition organizer, who informed John's mom that John had won the first prize worth of \$300 and chances to get his artwork displayed on exhibitions. His mother listened, eyes wide in awe. Never had she expected his son should have such a talent and performance! Guilty, she threw her arms around him. "Son, I'm so sorry. I almost ruined your dream..." She choked. "Mom, I'll never let you down. Believe me!" John assured her. From then on, with his mom's full support, John strived for excellence in his chosen field.

附: 听力录音材料

**Text 1**

W: It's so crowded in here. It seems to take forever. Has anyone even come to greet us?

M: I've heard this place has great food, so I'm sure it's well worth the wait.

**Text 2**

W: I'm sorry. Could you repeat that? The music and other people's voices are too loud.

M: I just said I wanted to leave soon. It's getting a bit late. I'd better get home.

W: Pardon me, I still can't understand. Did you say you wanted to return home?

**Text 3**

W: I recycle waste and I try to use public transport as much as possible, but I wish I could think of another way to help the environment.

M: Why don't you volunteer to clean up the community? There's a local group that needs help.

W: I might try that.

**Text 4**

W: Bill, can you start clearing up your toys please? Your parents and your sister will be back in 30 minutes and then I have to go home.

M: OK. After I have finished with these cars, I will do it right away.

**Text 5**

W: What is that you're reading? Is it in a foreign language?

M: Yes, it's German. I'm trying to read a whole book in German instead of English, to improve my language skills.

W: I'm impressed. I once tried to watch a French film but it was really difficult.

**Text 6**

M: Are you looking forward to seeing the Peking Opera in downtown Beijing?

W: Yes, I am. I never used to like coming into the city because of the air pollution, but it's so much cleaner these days.

M: Yes, China has made great progress in cutting pollution.

W: I suppose the electric cars are helping with that.

M: Of course. Electric cars, buses and trains are very important for a greener future. But there has also been a reduction in the use of coal for heating and producing power.

W: It looks like we're nearly at the theater. Where do we want the driver to drop us off?

M: Somewhere near the front door if possible. I'll find the money for the fare.

### Text 7

M: They say that artificial intelligence will mean that, in the future, machines will do many of the jobs that humans do now.

W: Does that worry you?

M: Not particularly. I've read that being a data analyst will be a good job in the future. I'm studying mathematics and computer science, so I might be able to do that.

W: It won't do any good for me. I'm studying art.

M: I don't think computers will ever replace artists.

W: I hope so. I enjoy being creative.

M: People who work in factories and offices need to be worried. Machines will soon do their work.

W: You know, AI should give people an opportunity to make the world a better place. It could make ordinary people better off and happier.

M: I'm certain that there will be some interesting new inventions in the coming decades.

### Text 8

M: Is that a new coat? I've never seen you in it before.

W: It's not new, but it was hidden in the back of my closet. I had totally forgotten about it until I cleaned out my bedroom this weekend.

M: Well, it's a unique coat. I love all the colors!

W: Me too.

M: It sure brightens up the office.

W: Yeah, I feel like I'm at a fashion show when I wear it. And what I really like about it are all these hidden pockets.

M: How clever! How could you have forgotten this treasure?

W: Out of sight, out of mind. When I bought it, it was too small for me, so I put it away. I've been losing weight, and it finally fits me.

M: You always look good, but you really look nice now. How did you lose weight? Running every day or swimming?

W: Neither. Actually, I just decided to write down everything I eat.

M: How could writing help you lose weight?

W: You'll be surprised at how much you have eaten. It really makes you think twice about whether to eat next.

M: That is a good method.

### Text 9

W: After this makeover, I don't think I'd ever transform a house again.

M: What are you talking about? It has been fun. We've finished the electrics — the hardest stuff. Now we just have to focus on the decorating. You like painting, right?

W: I love painting, but we have to wallpaper the rooms and get together pieces of furniture, remember?

M: Wallpapering is easy. My uncle taught me. For the furniture, I have watched some YouTube videos. Don't worry. We don't need to pay a professional.

W: I suppose so. It's been eight weeks, though.

M: True, but it will be worth it. It will only take us two more weeks to finish it. Then, we can sell this house and make around \$40,000. That is amazing. For the next project, that will be our house

to live in and we will make it into a real home.

W: Yes, you are right. Perhaps I will feel very sad once we are finished, because we will not get to enjoy living in this beautiful house.

M: I know. But when it is our house, we can put even more effort into it and make it even more perfect.

Ladies and gentlemen, thank you for choosing Scottish Airlines. Welcome onboard Flight GLA102 from Glasgow to Paris. We are just waiting for the control tower to give us the departure time. So while we do, myself and the crew will run through some rules for reasons of security. First of all, please fasten your seatbelt and keep it fastened when the seatbelt sign is showing. Even when it is not showing, if you are in your seat, we recommend you keep it on just in case of emergencies. Please turn off all electronic devices such as laptops, tablets and smart phones. If your device has airplane mode, you can activate this instead. There is no smoking allowed either in the aircraft or in the airport, so please do not attempt to smoke. If you do, you will be fined £1000 and be added to a no-fly list for at least 12 months. We have now been given permission to make our way to the runway, and we are third in line for take-off, so we should be in the air in just five minutes. I hope you have a pleasant flight.

#### 二、续写内容解析

这是一篇故事类续写。根据前文内容可知, 文章主要讲述小学生 John 热爱艺术和大自然, 有绘画天赋, 期待能展示自己的才能和大自然无与伦比的美。但他家庭生活困难, 母亲对于绘画又有偏见。当一个珍贵的绘画比赛的机会摆在 John 眼前时, 他渴望能购买足够的颜料来参赛。契机是母亲恰好此时给 John 下一个月的午餐费, 这笔钱刚好派上用场。

给定的第一段首句是 John 偷偷带着钱离开了家。续写应该是 John 去购买了必需的绘画物品, 参加了比赛, 赛场表现以及返回家跟母亲的交流。本段侧重描写购买、参赛、返家后的动作和心理描写。

根据给出的第二段首句可知, 续写应该写电话来源和内容, 以及母子对电话内容的反应。按照正面意义导向的原则, 应该写出消息是参赛作品获奖, 母亲意识到孩子的绘画才能, 打消了对于绘画这个职业的偏见, 从此支持鼓励孩子的艺术梦想和发展。所给的范文只是教师阅卷的一份参考, 阅卷老师不必拘泥于
