Dear Peter,

How is everything going?The annual Science and Technology Festival with the theme of "Technology Changes Life"will be held in our school,and I'm writing to invite you to enjoy it with us.

As scheduled,the festival will be held next Friday afternoon in our school gymnasium.During the event,you will have access to a wide range of technology-related activities.An exhibition of students' scientific works and a lecture on how technology changes our life will be the important parts of this event.Meanwhile,the interactive workshops will provide us with a unique chance to experience some latest inventions.

I assure you that the festival will impress you deeply.I'm looking forward to your arrival.

Yours sincerely:

Li Hua

One possible version:

Finally,the day arrived and the winners were announced.His heart raced with anticipation as he nervously scrolled down the list of names.And then he saw it:his name in bold letters was there.Tears filled his eyes as he felt a mixture of joy and relief,and he let out a yell.Winning the race was not only a proof of his writin gability but also a reminder to follow his heart.But he still worried whether his parents would change their attitude and support him. Just then,the door opened and Tom's parents returned home from work.Tom quickly gathered himself and went to show them the email,"Mom,Dad,I made it."His parents looked at him in surprise."Writing may be a better choice."Tom exclaimed with determination.His parents' faces softened as they figured out what happened.His mother gave him a tight hug,"Becoming a lawyer may lead you to a successful life,but passion can lead you a happy one."Tom had won not just the race but also his parents' support.
