Text 1

W: Are you interested in the courses your school offers this term?

M: To tell the truth, I am enthusiastic about math, but English and history are a little bit dull.

Text 2

W: The train should come at 7:30 a.m. according to the schedule.

M: Well, I was told that the track construction is causing delays for half an hour. I might be late.

Text 3

W: Sir, I really would love to be a policewoman. I especially like challenging myself.

M: Sounds interesting, but I am afraid the job is not proper for you, I mean, without any special training.

Text 4

W: Do you often listen to the radio?

M: Yes, I listen to the radio every morning.

W: What programs do you usually listen to?

M: Programs about what happened at home and abroad.

Text 5

W: Can I help you?

M: Yes. I'd like to try this dress on, please.

W: Okay. The changing rooms are over there.

Text 6

M: It's lucky that we rode our bike here instead of driving.

W: Yeah. Look at all those cars there. They'll never get in.

M: You'd better follow me closely. I don't want to lose you.

W: Don't worry. I'll keep up.

M: We go in over there—Gate B. Peter and Tom are right behind the goal.

W: Oh, do we have to stand up all the time?

M: That's right.

W: I hope we can see the match clearly.

M: That's why we've come early. We can choose a good place.

Text 7

W: How long have you been retired now, Grandpa?

M: Let me see. It's four years. I suppose I am used to it after all this time. But you know, I worked for Courtaulds for forty years.

W: Forty years? Really? Do you like being retired? Don't you get bored?

M: Well, I have just taken up golf. It's a good excuse for a walk, and I need an excuse since Rover died. I miss good old Rover but I don't think I want another dog at my age. I go to the golf club twice every week and I have made some friends there. Have you met Ted and Marjorie? They are a lovely couple.

Text 8

W: I really like this painting of the sunset. It reminds me of our vacation in Hawaii last year.

M: Yes, the colors are very beautiful.

W: We could get it and put it in our bedroom.

M: Maybe. I prefer this painting of the forest. It looks so peaceful.

W: But it's very dark. I want something to brighten up the wall.

M: I think it would look great in the dining room.

W: It's really not my style.

M: What about this one of the mountain? It's simple, but looks great.

W: I'm not sure it will fit in the bedroom.

M: No, but it will be perfect in the living room.

W: You're right. The colors will match the furniture perfectly! Let's get it!

Text 9

W: Can I see your passport, please?

M: Is this line for non-residents?

W: Yes it is. Residents can queue up in the lines to my right.

M: OK. Here's my passport.

W: I see. Yes, you'll need to renew your passport in a few months. Make sure you don't let it out of date while you are in the UK.

M: I won't.

W: How long will you be staying in the UK?

M: I'll be here about a year.

W: What is the purpose of your stay?

M: I'll be studying. I'm doing an MBA at Nottingham University.

W: Where will you be staying?

M: I have a housing contract with the university. I'll be in a dorm room on campus.

W: How do you plan on paying for your living costs and tuition fees while you are here?

M: My father has already paid for that in advance. Here are the receipts.

W: OK. Have a good stay. Here's your passport and your documents.

M: Thank you very much.

Text 10

M: OK, are you all settled? Well, first of all, welcome to Cardiff University. I'm here to explain what we can offer you.

Now, as a new student at the university, you will probably need some guidance to help you to use the library effectively. Some of you have asked about a guided tour but we find that this rather confuses people. So, in this first week, we run a series of talks which focus on different aspects of the library and its resources.

OK, as you see, the computers are increasingly used as a research tool. Many students do most of their research on the Internet and the library computers are permanently online. Having found what you need, you'll find you can readily save texts on your personal computer space to print off when you need.

Naturally we do still have the full range of classic reference books available for you to use. Although there is a Section Manager for each part of the library, they are very busy. So, if you do get stuck looking for things, you should ask the relevant Cataloguing Assistant. As your Training Supervisor, I just oversee your work for a week and will not be around after this initial week.

写作(第一节)(满分15分)

Dear Jack,

I am conveying my sincerest invitation to my home after knowing that you will spend the Spring Festival in China this year.

You are welcome to come to my home on the Lunar New Year's Day, when my family, including my grandparents, will have a reunion dinner at noon. You can join us and we celebrate the big day together. After that, we are scheduled to head for the Botanical Garden to admire a flower exhibition, where we pray for a flourish spring and good luck in the coming year.

We are looking forward to your arrival.

Yours,

L. Hua

写作(第二节) (满分20分)

We visited my grandfather's grave in Anxian. Weak and tired, he was always tapping in the bed, with Scruffy lying beside on the floor. Bathing in the soft and warm sunlight pouring through the window, I sensed our grandfather company in silence, occasionally raising his head when Grandfather wanted to rest over. Even when we helped him have a meal, Scruffy just straightened his back and watched us until he lay back. Sadly, this harsh winter took my grandfather away, leaving us and Scruffy behind.

After Grandfather's death this winter, we had to rehome Scruffy. The whole family had a discussion together about his new home. Scruffy seemed to be lost in great grief, still remained seated beside the grandfather's bed and quit eating the whole day. With no one to talk to, I tried to stroke and chat with Scruffy. Gradually, the dog's eyes lit up. Finding the excitement in his eyes, I broke into the meeting room, shouting, "I will take Scruffy home." Yes, it is the comfort between human and animals that heals the pain in the heart and unites us together.
