46. 【答案】Dear Johnson,

Hearing that you want to take part in the exhibition of traditional Chinese folk crafts to be held by your school, I'm writing to recommend one traditional Chinese folk art——paper-cutting—to you.

Paper-cutting is a kind of handicraft with a long history. It is said that paper-cutting originated in the Eastern Han Dynasty and has been popular for more than two thousand years. People use scissors to cut paper into various shapes and use them to decorate windows, doors, walls and other places. It is a kind of art that conveys the Chinese people's pursuit of beauty.

Hope my recommendation will be useful to you!

Best regards,

Li Hua

47.【答案】 *I turned back and tried to hold back my tears.* But I was so sad that I broke down, failing to make it. I began sobbing uncontrollably. Then the soft sobs became replaced by loud cries. I felt hopeless about my future. "Why did everyone have a job expect me?" I can't help thinking. Looking at me crying, the man was shocked. He

was no longer impatient. He walked in and said, "I'm so sorry for my words. Everything will be OK. Don't give up, and you'll get a job soon."

Putting a five-dollar bill in my hand, he left. This time, it's my turn to be shocked. I had never thought somebody would express sympathy for me and encourage me to keep trying. Maybe things were not as bad as I imagined; maybe everything would be fine again if I just tried a little more. My sorrow disappeared. And I feel positive for my future again. After all, I still have five dollars!
