应用文写作参考范文：

I still remember my first time to volunteer at the Happiness Nursing Home last summer holiday.

On the morning of a Saturday, we volunteers arrived at the Happiness Nursing Home, bringing some flowers and fresh fruit as well as our best wishes. Having done the cleaning, some of us make a well-prepared funny show, which made them very delighted. When it was time for us volunteers to leave, they were grateful for our kindness.

From this meaningful activity, I found that we are supposed to care for the old and respect them. And in the Chinese Year of the Tiger, in order to make my own elders happy, I will study harder.

读后续写参考范文：

Some time after I left the boat, I saw my brother struggling in the sea. I tried my best to approach to him but I failed again and again. I waved and called him to tie himself to another barrel to help him float. I struggled to run away from the whirlpool and prayed the storm could stop as soon as possible.

Soon after that, the whirlpool became less wild and then the sky was clear. The wind became calmer, and the moon was shining. I was still tied to the barrel and the waves soon carried me to an area where the other fishermen were. Fortunately, a boat picked me up when I was tired out. The fishermen were very old friends, but they were unable to recognize me at first because I was in a so difficult position. To my great excitement, minutes later, another boat arrived with my brother in it. How lucky we were!
