I'm writing to share my preference for the upcoming field trip organized for our elective course. Personally, I would love to visit the Nature Park.

Firstly, the Nature Park provides a peaceful environment where we can connect with nature and appreciate its beauty. Moreover, with various outdoor activities such as

hiking trails and bird watching, it would be a wonderful chance for us to learn more about different wildlife. Finally, enjoying the fresh air and scenic views together with our classmates would be both relaxing and entertaining.

I am really excited about this field trip to the Nature Park. It would be a great way to appreciate the wonders of nature and bond with our classmates. Thank you for considering my suggestion.

第二节 (满分 25 分)

*It was our mother, standing there surprisingly.* Her eyes widened as she saw the scene before her. For a moment, there was silence, only with the creaking sound still lingering in the air. Stammering, we tried to explain to her. We told her about how we found Shadow and our longing for a dog, hoping that somehow our mother would understand it. After a long pause, she finally spoke, "I can see how much you both care for Shadow, and maybe it's time for us to give her a home."

*Mom decided to give us a chance to prove we could be responsible owners.* From that day on, we poured our hearts into taking care of Shadow. We woke up early every morning to take her for walks and diligently cleaned up after her. Gradually, Shadow transformed before our eyes. Her coat became shiny and healthy, and she gained weight. She followed us everywhere like a second shadow. Not only had we achieved our dream of having a dog, we had also earned our mother's trust and respect.
