I am glad to know that **Asian Youth Environmental Forum** will be held next month. I sincerely want to participate in the activity. Here I feel honored to share my information with you as follows.

Last summer holiday I ever joined in an activity about environmental protection in our community ,which impressed me deeply. This activity aimed to appeal to our residents to take actions in order to beautify our community. Under of the leadership of staff in our community, I was given a job to give out our leaflets about environmental protection and gave a speech about environmental protection to our residents . Through some practical activities, this not only improved our environmental awareness, but also made our community more beautiful and more harmonious

In conclusion , I learned a lot from this activity. I am greatly convinced that I am qualified to take part in **Asian Youth Environmental Forum** .
