Say NO to School Bullying

With the intention of enhancing students' awareness of school bullying, a lecture themed on it was organized in our school last week.

During the lecture, the speaker emphasized the importance of school security by presenting the shocking harm caused by school bullying. School bullying can definitely threaten individuals' growth and undermine social harmony. Firstly, it causes severe psychological trauma to the victims, subjecting them to long-term depression. Secondly, school bullying can escalate the bully's belief in violence and even lead to criminal behavior.

The event proved to be a great success and we learned how to handle certain problems and ensure our safety.

参考范文:

"Coach, please let me play. I've just got to play today," said the young man. The coach pretended not to hear him. But the young man persisted, and finally, feeling sorry for the kid, the coach gave in. Before long, the coach, the players and everyone in the stands could not believe their eyes. The opposing team could not stop him. The score was soon tied. In the closing seconds of the game, this kid intercepted a pass and ran all the way for the winning touchdown! The fans cheered! His teammates held him onto their shoulders.

Such cheering you've never heard! Finally, after the stands had emptied and the team had showered and left the locker room, the coach noticed that the young man was sitting quietly in the corner all alone. The coach approached him and said, "Kid, you were fantastic! Tell me, what got into you? How did you do it?" He looked at the coach, with tears in his eyes, and said, "Well, you knew my dad died, but I believe that he will always be there, encouraging me."
